

VOLUNTEER OPPORTUNITIES
Norwalk Catholic School
EARLY CHILDHOOD CENTER
2009 – 2010 School Year

Volunteers are the heart of our school and add greatly to the quality of our programs. There are many times and ways to help our little ones. We provide the training! Here are some of the ways you can help:

Preschool Volunteer: For the 3 and 4 year-old preschool. The volunteers would work in the classroom by providing an extra set of hands for the teacher. This may include attending/supervising field trips, reading stories, supervising play, or assisting in clean-up duties.

Times: Monday – Friday 9:00 – 11:25 am **or** 12:35 – 3:00 pm

Office Volunteer: For occasional office duties. Helpers would work with the secretary by answering the phone, preparing mailings, making copies for teachers, etc.

Times: as needed

Garden Volunteer: For occasional landscaping up keep. Volunteers would adopt a flower bed around the school and make sure the area is trash-free. There would be times when weeding the area would be necessary. You may select the size to care for.

Times: Spring and fall, as your schedule would permit

Good Shepherd Volunteer: For 4 year old and Kindergarten classes. Helpers would guide the children in the atrium while they worked with special materials, listened to Scripture, etc.

Times: Mondays, Thursday mornings and Fridays.

If you are interested, please let us know the day(s), time(s), and activity you in which you would like to participate. Return the bottom portion to your child's teacher by September 4, 2009.

Thank you for your help.
